

Valentine's Day Story

 32  3  5

Chapter 1 by Sam I am

Valentine's day. The one day where couples show their love for each other through gifts of chocolate, roses, stuffed animals and more. Love fills the air for one day every year. But what's so special about it? Why just have one day to express your love for your partner and neglect everyone who doesn't have one? This doesn't make sense to me. So this is my twisted Valentine's Day story.

Chapter 2 by SaintSayaka

Just so we're clear, I didn't mean to murder him. And yeah, I've watched the documentary. A bit biased, don't you think? I know that it was funded by his family, which might explain the imbalance, but it doesn't change the fact that injustice was done to me. I shouldn't be behind bars for ten years just because of some corporate holiday.

Give me ten minutes, and I swear, everything will be clear.
